

A line drawing of a patient lying in bed, using a CPAP system. The patient is wearing a nasal mask (40) connected to a tube (10) that leads to a CPAP machine (30). The machine has a control panel with a screen and buttons. The tube (10) is connected to the machine via a connector (20). The patient's head is tilted back, and the mask is positioned over the nose. The tube (10) is labeled with '2' at two points. The patient is wearing a headband (P) and a neck strap. The machine is labeled with '30' and '12'.
